SPORTVAN/RALLY

THE FOLLOWING EQUIPMENT IS STANDARD ON DIESEL ENGINE MODELS (ALSO SEE STANDARD SPECIFICATIONS PAGES)

- Low Coolant Sensor
- Poly-wrapped Paper Element Air Cleaner
- Power Steering
- Engine Block Heater
- Water/fuel separator unit which incorporates a water sensor and sending unit, a fuel filter, a fuel heater and water drain capability
- Hydraulic Power-assisted Brakes
- K81 66-amp Generator
- Engine Oil Cooler (located in radiator tank)
- Dual 550 Cold Cranking Amp/115 min. Reserve Capacity Batteries
- HD Radiator
- Dual Exhaust System
- Warning Lights: Glow Plugs, Water-in-fuel (or fuel filter), and Low Coolant
- Diesel Engine Identification:
 - Fender nameplates
 - LH rear door nameplate
 - "Diesel Fuel Only" filler cap and label
- Additional Insulation:
 - Fiberglass/aluminum engine cover and engine cover extension insulators
 - Special mastic/fibre front floor insulators
 - Front floor mats which extend under seats
 - Interior compartment dash panel insulation
 - Engine compartment dash panel insulation
 - Hush panels under instrument panel
 - Extra-thick foam-backed cloth headliner for Bonaventure/Rally Custom and Beauville/Rally STX models
 - Engine hood insulation
 - Special rubber seal at cowl

SPORTVAN/RALLY

STANDARD MODEL—BODY ORDERING CODE ZW9

The standard model includes the following items as standard equipment

EXTERIOR

- **Bumpers:** Front and rear; painted silver
- **Colors:** See Interior and Exterior Color Selection Chart
- **Doors:** RH and LH front side doors; RH and LH rear load doors; a RH sliding side load door is standard, however, hinged RH side loading doors are available
- **Door Opening and Locking Methods:**
 Front side doors: Outside pushbutton latch release in door handle with separate key lock; keyless outside locking
 Sliding side load door: Turning outside handle counterclockwise releases both front and rear latches; to close door, reverse procedure; for opening and closing of door from inside, reverse outside procedure; door is locked from outside through a separate key lock
 RH and LH rear doors: Pushbutton latch release in RH door handle opens door, and after opening RH door, LH door latch is released by lower inside lift handle; separate key lock cylinder in RH door
- **Glass:**
 Windshield
 RH and LH front side door drop glass and pivoting ventipanes with pushbutton locks
 Double flip-out glass in sliding side door and same on opposite side; bright frames
 Stationary glass in each rear-quarter window and rear door
- **Grille:** Molded plastic; painted light argent; integral Chevrolet emblem/GMC letters at center
- **Grille Frame:** Headlamp parking-lamp bezels plus upper and lower moldings joining extensions of lamp bezels; painted light argent
- **Horns:** Dual, electric, low- and high-note
- **Hub Caps:** Bright metal with black trim
- **Keys:** Two-key system, with separate keys for ignition switch and door locks
- **Lights:**
 Backup lamps: Two rear (integral with taillamps)
 Combination parking/direction/hazard: Two front
 Combination tail/stop/direction/hazard: Two rear
 Headlamps: Two; Rectangular
 License plate lamp: Single rear
 Side marker lamps and reflectors: Two front and two rear

- **Mirrors:** RH and LH chrome; fixed arm with adjustable 4½" x 6" head
- **Nameplates:** Bright "Sportvan/Rally" plates on front fenders; bright "Chevrolet/GMC letters" plate on LH rear door
- **Tools:** Mechanical jack and wheel wrench
- **Undercoating:** On body rocker panels, step panels, and wheel-housings
- **Wheels:** Painted white
- **Windshield Wipers and Washers:** Electric, 2-speed wipers with matte finish on exposed metal portions; wet-arm design demand-type washer system

SIDE SWING OUT DOORS—RPO A24

These hinged double side doors are available at no extra cost to replace the standard sliding side door. They feature stainless steel hinge pins and galvanized steel outer panels. The forward door is approximately 12 inches wider than the rearward door to provide a wide opening for cargo or passengers when only the forward door is opened.

SPORTVAN/RALLY

STANDARD MODEL—BODY ORDERING CODE ZW9

The standard model includes the following items as standard equipment

INTERIOR

- **Air Vents:** RH and LH; individually controlled
- **Armrests:** RH and LH side door and rear seat; padded
- **Ashtrays:** At top of instrument panel extension, with door. In rear seat armrests; with covers
- **Coat Hook:** LH side
- **Colors:**
 - Painted areas: Same as exterior primary color choice
 - Interior trim: Coordinated with seat trim color choice
- **Dome Lamps:** Two; with front door-actuated switches (dome lamps may also be activated by main light switch)
- **Door Locks:** Inside pushbutton lock/release for front doors; rotating locking knob for sliding side door
- **Door Seals:** Latex foam rubber
- **Floor Covering:** Embossed black rubber mats; over entire floor area and front wheelhousings
- **Headliner:** Mystic-colored perforated hardboard; driver area
- **Heater and Defogger:** Deluxe-air
- **Hood Lock Release:** Handle located on LH side of instrument panel
- **Instruments:**
 - Gages: Speedometer, odometer, and fuel
 - Switches: Main, for control of exterior lights, instrument lights and dome lights; multi-function switch on steering column for direction signals by moving lever up or down (includes lane change position), headlight beams by pulling lever toward driver, windshield wiper by turning band marked "WIPER" toward or away from driver, and windshield washer by pushing in the lever knob; ignition with key-in warning buzzer; hazard warning; heater fan; door-operated dome lamp
 - Warning lights: Generator, oil pressure, engine temperature, service-parking brake, direction/hazard signal, and high beam
- **Instrument Panel:** Bright trim on gage bezels; black applique with bright trim on area below instrument cluster
- **Insulation and Sound Deadening Material:** Dash (firewall), entire floor panel, engine cover front extension, and inside engine cover
- **Lights:** Instruments, front and rear dome
- **Main Light Switch Control Knob:** Bright, with brushed finish and black graphic identification
- **Mirror:** 10", vinyl-edged prismatic
- **Parcel Tray:** On top surface of instrument panel extension; includes beverage holder provisions
- **Safety Step Pads:** Front and rear side door step panels
- **Seat Belts:** Color-keyed with pushbutton release; driver, front passenger and all rear seat positions; outboard retractors for driver and front passenger
- **Seats:** Front, adjustable high-back bucket driver and passenger; rear quick release, removable 3-passenger; all-vinyl trim, foam padded (G30/3500 models without C6P have 2 additional quick release, removable rear seats for 12 passenger seating. See page D). Also available at extra cost: all-vinyl leather grained trim. See Interior and Exterior Color Selection Chart for color and trim availability
- **Spare Tire Carrier:** RH rear side
- **Steering Wheel and Column:** 15.25" diameter black soft vinyl wheel with 2 spokes; black energy-absorbing steering column with anti-theft locking feature
- **Storage Box:** In front face of instrument panel extension; with latched door
- **Sunshades:** RH and LH padded, color keyed
- **Trim Panels:** Painted metal with decorative embossments; front and rear side doors

SPORTVAN/RALLY

G30/3500 WITHOUT C6P HEAVY DUTY CHASSIS

STANDARD MODEL

This model includes all items listed on pages B & C plus the following additions or substitutions
(See page 4 for chassis standard equipment differences)

- **Seats:** In addition to the driver and passenger front high bucket seats and the 3-passenger center seat, this model includes as standard equipment RPO AQ4—Two additional rear seats, which provide 12-passenger seating. All passenger seats (except front high-back bucket) are the quick-release, removable type, with all-vinyl trim that matches the front seats.

- **7400-lb GVW Rating**

SPORTVAN/RALLY

BONAVENTURE/RALLY CUSTOM SPORTVAN MODEL—BODY ORDERING CODE ZM2

This option includes all exterior items listed for the standard model plus the following additions or substitutions

Chevrolet model shown (GMC model available)

EXTERIOR

- **Bright Appearance Items:**

- "Bonaventure/Rally Custom" nameplates, on front fenders
- Front and rear bumpers
- Taillamp bezels
- Upper and lower grille outline moldings
- Bright applied Chevrolet emblem/GMC letters at grille center

- **Grille:** Chevrolet—Dark argent with bright applied Chevrolet

emblem

GMC—Light argent with dark argent air intake areas and bright applied GMC letters with red paint fill

- **Grille Frame:** Light argent headlamp/parking lamp bezels with dark argent centers and bright outboard perimeter moldings; bright upper and lower grille outline moldings

INTERIOR

- **Bright Appearance Items:**

- "Bonaventure/Rally Custom" lettering and trim on applique at RH side of instrument panel
- Trim moldings at center of instrument panel
- **Cigar Lighter:** With ash tray light
- **Coat Hooks:** LH and RH side, above rear-quarter windows; plus one on LH side panel to rear of drivers seat
- **Floor Covering:** Color-keyed rubber mats; for entire floor area, including front and rear wheelhousings
- **Garnish Moldings:** Slate or saddle tan colored plastic moldings for rear compartment side windows, front and rear roof header panels, roof front side rails and windshield pillars, front door lock pillars, lower sliding door hinge pillar, and sliding door track and roller bracket
- **Headliner:** Full-length, slate or saddle tan colored; foam-backed

cloth

- **Deluxe Instrument Panel:** Two-tone color treatment; color-keyed instrument cluster bezel; woodgrain applique and bright trim with woodgrain insert for central area; black applique with bright trim and Bonaventure/Rally Custom lettering on RH side
- **Insulation:** Above headliner and on wheelhousing areas
- **Seats:** High-backed driver and front passenger bucket seats and standard rear passenger seat with leather grained all-vinyl trim. See Interior and Exterior Color Selection Chart for color and trim availability
- **Spare Tire Cover:** G1 models—black vinyl; G2-3 models—color-keyed carpet type
- **Trim Panels:** Colored-keyed, vinyl-coated, embossed hardboard on doors and sidewalls

SPORTVAN/RALLY

BEAUVILLE SPORTVAN/RALLY STX MODEL—BODY ORDERING CODE E94

This model includes all items listed for Bonaventure/Rally Custom model option plus the following additions or substitutions

GMC model shown (Chevrolet model available)

EXTERIOR

- **Bright Appearance Items:**
 - "Beauville/Rally STX" nameplates, on front fenders
 - Body side and rear upper moldings with black paint trim
 - Wheel opening lip moldings
 - Front door ventipane posts
 - Trim for side marker lamps and reflectors
- **Grille:** Chevrolet—Bright center bar moldings with body color paint fill
- **Headlamp Bezels:** Chevrolet—Bright center bar moldings with body color paint fill
GMC—Center bars painted light argent
- **Special Headlamps:** Rectangular; dual RH and LH (single RH and LH when diesel engine is ordered)
- **Special Side Marker Lamps and Reflectors:** RH and LH front and rear

INTERIOR

- **Bright Appearance Items:**
 - "Beauville/Rally STX" lettering and trim on RH instrument panel trim plate
 - Trim on door and sidewall trim panels
- **Enclosure Panels:** Color-keyed plastic trim panels to conceal rear seat armrest supports and seat risers
- **Floor Covering:** Color-keyed carpeting; over entire floor area including front and rear wheel housings; lower portion of engine cover and vertical walls of front and rear side door stepwells
- **Garnish Moldings:** Color-keyed to seat trim color
- **Headliner:** Color-keyed to seat trim color
- **Instrument Cluster Bezel:** With woodgrain applique
- **Insulation:** Under instrument panel upper extension; behind door and sidewall trim panels
- **Seats:** High-backed driver and front passenger bucket seats, and standard rear passenger seat with choice of: 1) dual-tone striped vinyl trim; or 2) ribbed pattern velour cloth/vinyl trim. See Interior and Exterior Color Selection Chart for color and trim availability.
- **Stepwell Mats:** Embossed black rubber mats for top surface of front and rear side door stepwells
- **Trim Panels:** Embossed, color-keyed vinyl on doors and sidewalls with styling coordinated with seat trim and carpeting on lower areas
- **Visor Mirror:** On RH sun visor

SPORTVAN/RALLY

BODY CONSTRUCTION FEATURES

GMC model shown (Chevrolet model available)

The all-steel, Chevy Van/Vandura and Sportvan/Rally bodies feature body-frame integral construction for outstanding structural rigidity and excellent durability. The basic bodies of either the nominal 15 foot (110" WB) or 17 foot (125" WB) models are comprised of an underbody structure, front end structure, left and right hand side panel structures, and a roof panel structure.

Longitudinal side rails, cross sills, and outriggers form the integral frame to which front and rear floor panels are welded, completing the underbody structure. Main structural members are of heavy-gage steel. A step well is incorporated in the underbody in the area adjacent to the front doors and sliding side door to provide convenient entry and exit.

The front end structure incorporates an engine compartment with outside opening hood panel which affords quick and easy access to 27 service points, such as the engine, radiator, battery, brake master cylinder and windshield washer reservoir. The radiator support upper tie bar and baffles are mechanically attached to facilitate engine removal. A plenum chamber with high-level air intake is utilized in the front end structure to assure a plentiful supply of dry, outside air for interior heating and ventilating as well as to add rigidity to the overall body structure. Air outlets to the interior are provided on the left hand and right hand sides by manually controlled doors (RH door omitted with optional air conditioning).

Side panel structures are comprised basically of seamless, one-piece outer panels reinforced with vertical strainers and welded to roof rails at the top and to rocker panels at the bottom. Left hand side panel structures utilize three vertical strainers, with a fourth strainer added for 17-foot bodies. Right hand side panel structures, which are smaller because of the provision for the base side load door, are reinforced with one vertical strainer in 15-foot body applications and two strainers in 17-foot body applications. Two window openings are incorporated in the left hand side panel for all Sportvans/Rally, or for Chevy Vans/Vandura with RPO A07 body glass; one window is incorporated for Chevy Vans/Vandura with RPO A17 body glass. The right hand side panel for Sportvan/Rally models, or Chevy Van/Vandura with RPO A07 or A08 body glass, has one window. Provision is made at the rear of the left hand side panel for incorporation of a door to conceal the fuel tank filler.

Roof panels are of one-piece design and are embossed with six longitudinal stiffening ribs. Four roof bows support the 15-foot body roof panel, while five roof bows are used for the 17-foot body.

Special attention is given to corrosion prevention during the construction and final finishing of the body. The following body design features occur during the construction of the body:

1. Use of special steel (galvanized, zinc iron alloy, zinc coated) for body components especially subject to corrosion.
2. Use of one-piece outer panels to minimize exterior joints where corrosion might occur.
3. Use of heavy-gage steel for main underbody components.
4. Use of weld-through sealers in the assembly process to assure strong welds.

After body construction is completed, additional corrosion preventative steps are taken in the final finishing operation. The following occur:

1. The body, doors and hood are thoroughly cleaned by processing them through a 7-stage zinc phosphate washer.
2. Next, the body, doors and hood are primed by the Elpo electro-coating process which is the deposition of an electrically charged colloidal paint using an electric current. Electro-coating assures uniform application of primer even on surfaces normally inaccessible. In the process, the body, doors and hood are submerged in an emulsion of water and paint; the body, doors and hood and the emulsion are then oppositely charged, causing the paint to adhere to the metal.
3. Sealers are then applied to all critical interior-exterior joints.
4. Undercoating is sprayed on the undersurfaces of the wheel-housings, front door step panels and body rocker panels.
5. The body, doors and hood are painted with enamel.
6. A sealer pad is installed on the top surface of the floor panel at the left hand side, and is bonded to the floor panel as the body bakes in the topcoat oven.
7. The lower inside surfaces of the doors and rocker panels are sprayed with aluminum wax preservative.
8. A protective coating is applied to the front door hinge pins.
9. Finally, an anti-chip coating is added which extends from the rear of the front wheel openings to the rear door openings to prevent stone chipping.

SPORTVAN/RALLY

SPORTVAN/RALLY SEATING ARRANGEMENTS

Seating arrangement for standard and RPO AQ3/AQ4/B6S seats.
For model availability see model option price pages.

STANDARD 5-PASSENGER SEATING (125" WB)
***110" WB MODELS**

OPTIONAL 8-PASSENGER SEATING (125" WB)

OPTIONAL TRAVEL BED REPLACING CENTER SEAT
(PROVIDES 5-PASSENGER SEATING)

OPTIONAL 12-PASSENGER SEATING (G30 ONLY)
(STANDARD W/O C6P)

OPTIONAL TRAVEL BED REPLACING 3RD SEAT
(PROVIDES 8-PASSENGER SEATING)

INSTRUMENTS

The standard instrument cluster gauges and heater controls are set into the molded plastic instrument panel and have bright bezels. The large LH opening contains the speedometer, odometer, high beam indicator, and service-parking brake warning light. Diesel engine models will also have warning lights for low coolant, glow plugs and water-in-fuel.

The large RH opening contains the fuel gage with a graphic symbol. An "Unleaded Fuel Only" notation is carried on the face of the fuel gage for models which require this fuel. The upper small opening between these two large openings houses the warning lights with graphic symbols for temperature, low oil pressure and generator. The lower opening is provided to house the RPO U35 electric clock.

On the upper RH side the two small openings are provided to house the controls for the RPO C36 rear heater (LH) and the RPO C69 rear air conditioner (RH). Below these openings are the heater/defogger and optional front air conditioner controls with graphic symbols for the fan and defogger. A similar instrument cluster with voltmeter, oil pressure gage and engine temperature gage is available as RPO Z53.

The area below the instrument cluster contains, from left to right, the windshield washer/wiper switch, with graphic symbol, main light switch, and ignition switch. This lower area has a black applique with bright trim. At the far left is the provision for the LH front air conditioner air outlet.

SPORTVAN/RALLY

INTERIOR AND EXTERIOR COLOR AVAILABILITY CHART

Please Note: Below are the interior trim color and exterior paint combinations *recommended* by Chevrolet/GMC. The only available primary/secondary exterior color combinations are those shown in the chart below; however, any available interior trim color may be ordered with one of these exterior color combinations if that particular combination is desired by the customer.

SPORTVAN/RALLY

SOLID AND TWO-TONE* EXTERIOR COLOR COMBINATIONS

The application of paint for solid and two-tone exterior color combinations is shown below.

GMC model shown
(Chevrolet model available)

Solid color paint (ZY1) is standard on all models. All painted areas of the body are the same color.

Chevrolet model shown (GMC model available)

Special two-tone (ZY3) paint colors include black body side and rear moldings with bright trim plus bright tail light trim (except with the Beauville/Rally STX model where bright tail light trim and bright body side and rear moldings with black trim are already included). The primary paint color is applied to the areas above the moldings. The secondary color is applied to the areas below the moldings.

GMC model shown (Chevrolet model available)

Deluxe two-tone (ZY4) paint colors include black body side and rear moldings with bright trim plus bright tail light trim (except with the Beauville/Rally STX model where bright tail light trim and bright body side and rear moldings with black trim are already included). The primary paint color is applied to the areas above the belt line styling crease line and below the moldings. The secondary color is applied to the areas between the belt line styling crease line and the moldings.

*Optional at extra cost.

SPORTVAN/RALLY

SOLID AND TWO-TONE* EXTERIOR COLOR COMBINATIONS

The application of paint for solid and two-tone exterior color combinations is shown below.

Chevrolet model shown (GMC model available)

Exterior Decor Package (ZY5) paint colors and trim are available in a choice of eight combinations (see Interior and Exterior Color Availability Chart). The package includes black body side and rear moldings with bright trim plus bright wheel opening moldings, and bright tail light trim (except with the Beauville/Rally STX model where bright wheel opening moldings, bright tail light trim, and bright body side and rear moldings with black trim are already included). In addition, it includes dual-tone tape decal striping keyed to the interior trim and exterior body colors. This striping is applied just below the windows on the belt line crease.

The roof area above the drip rails and the area between the tape decal striping and the moldings are painted the primary paint color. The roof drip rails and the areas between the roof drip rails and the tape decal striping and below the moldings are painted the secondary color.

*Optional at extra cost.
